Dear Mr. Purvis,

This is in response to your 25 October 2012 Freedom of Information Act (FOIA) request for all photo and video records taken by government officials, investigators and government agents immediately after The Mars Bluff Incident 11 March 1958. An atomic weapon was accidentally dropped on a piece of land just outside of Florence, South Carolina.

The photos requested have been previously released under another FOIA Case and the records are attached. There were no videos found responsive to this request. Should you need to contact us regarding your request, please contact me at (318) 456-7165, or by email at [AFGSCFOIAWorkflow@us.af.mil](mailto:AFGSCFOIAWorkflow@us.af.mil).

Department of Defense Regulations 5400.7 indicates fees be assessed for processing FOIA requests, however, there were no chargeable fees assessed for this request.

Sincerely,

  
CANDICE VELAZQUEZ, Civ, DAF  
AFGSC, FOIA/PA Manager
